Based on the documentation and testimony received at the public hearing, the Board hereby finds as fact as follows:

- l. Increase the existing allocation of 290,000 s.f. of Institutional Use to 515,000 s.f. by adding 225,000 s.f.

5. On November 10, 2008, the City Commission of the City of Wildwood approved a development order (DO) pursuant to the approval of the substantial deviation creating The Villages of Wildwood DRI. Under that substantial deviation portions of the Villages of Sumter

were annexed and combined with property already within the City to create the Villages of Wildwood DRI consisting of approximately 391 acres. The substantial deviation also proposed the transfer of 1,288,258 square feet of retail/service floor area, 14,400 square feet of office floor area, 49,714 square feet of educational/institutional floor area, 200 hotel rooms, eight movie screens and a 300 bed hospital from the Villages of Sumter DRI to the Villages of Wildwood DRI. A provision in the Villages of Wildwood DRI DO required that entitlements equal to those in the Villages of Wildwood DRI had to be removed from the Villages of Sumter DRI prior to any vertical construction. Thus, no additional development amounts were added in the approval of the Villages of Wildwood DRI.

6. On December 5, 2008, the Sumter County Board of County Commissioners approved a fourth amendment to the Villages of Sumter DO that transferred property and entitlements from the Villages of Sumter to the Villages of Wildwood. The NOPC removed approximately 220 acres from the Villages of Sumter, reduced the entitlements in the Villages of Sumter ADO by 1,288,258 square feet of retail/service floor area, 14,400 square feet of office floor area, 49,714 square feet of educational/institutional floor area, 200 hotel rooms, eight movie screens and a 300 bed hospital, and amended Map H and H-1, the Master Development Plan, the Land Allocation and Phasing Tables and legal description to reflect the removal of property and entitlements.

Additionally, the fourth NOPC amended the Villages of Sumter ADO by:

- Establishing December 31, 2019 as the Expiration Date;
- Establishing the Developer's cumulative transportation mitigation for state and regionally significant roadways and eliminating all monitoring and modeling requirements and requirement to address the TIA results in the Annual Reports;
- Establishing full transportation mitigation for local roadways;
- Recognized that the Developer has now fully mitigated for the cumulative impacts of its development on affordable housing;
- Clarified that the requirements for annual reports cease upon reaching build out; and
- Establishing that the Developer will provide an annual payment to Sumter County of \$15,000 per year from 2010 to 2014 to support the County's annual traffic monitoring program.

7. On November 23, 2010, the Sumter County Board of County Commissioners approved a Fifth Amendment to the Villages of Sumter Development Order that made amendments to Development Order Condition C.1, the Land Use Conversion Matrix, the legal description, and

Map H and H-1 Master Plan of the Villages of Sumter DRI. Specifically the NOPC: 1) removed approximately 5.72 acres from the Villages of Sumter DRI, 2) amended the Land Use Trade-off Matrix Table 1 and 2 by adding Skilled Nursing Facilities, Assisted Nursing Facilities and Independent Nursing Facilities, 3) removed the Convention/Performing Arts Center Land Use from the DRI (Development Order Condition C.1 and Map H-1), removed the 40,000 s.f. Convention/Performing Arts Center entitlement and re-designated 15 acres on Map H-1 from Convention/ Performing Arts Center to Village Clubhouses/Recreation Centers Land Use acres, 4) changed the Village Center Retail, Service, Office Land Use on CR 466 in the northeast corner of the DRI to Village Center Mixed Use, 5) changed the Village Center Retail Service, Office Land use on the south side of CR 466A east of CR 139 to Village Center Mixed Use, 6) reconfigured the Village Center Mixed Use and Residential Land Uses in the southeast corner of the DRI north of SR 44, 7) added the Wildlife Corridor created pursuant to mitigation requirements of SWFWMD ERP number 43023491.006, 8) pursuant to the Developer's letter of notification dated May 5, 2010, revised the Land Use Allocation Table to reflect the conversion of 143,575 s.f. Retail to 1,629 d.u. Residential Land Use, 9) added the traffic circle on CR 44A at Buena Vista Boulevard, and 10) added approximately twelve (12) acres of railroad right of way property along the northerly right of way of S.R. 44 of the Villages of Sumter DRI. The Developer acquired this property after abandonment by the railroad with a Quiet Title Suit and subsequent deed. This property was added to the adjacent land uses along the southerly boundary of the Villages of Sumter DRI. Three (3) acres to Wildlife Corridor, seven (7) acres to Village Center Mixed Use, and two (2) acres to Regional Recreation Centers. No increase of impacts occurred as a result of this addition.

8. On October 9, 2012, the Sumter County Board of County Commissioners approved a Sixth Amendment to the Villages of Sumter Development Order that added 353 acres to the Villages of Sumter DRI. This additional acreage was used for residential units, recreation, stormwater basins and mixed uses. Portions of previously approved entitlements were converted using the Land Use Conversion Matrix to the planned uses on this property. This ensured that there were no increases in impacts.

The Development Order also amended the Master Plans Map H and H-1 and the Land Use Allocation Table to reflect the changes above and the changes made by the following:

- a. Notice of Conversion of land Uses dated January 20, 2011. This Notice converted 8,440 Retail square feet to 128 Assisted Living Facility beds.
- b. Notice of Conversion of Land Uses dated March 30, 2011. This Notice converted 792 Retail square feet to 12 Assisted Living Facility beds and 27,720 Retail square feet to 315 Residential Dwelling Units.
- c. Notice of Extension pursuant to Section 54(19)(c)2. of Chapter 2011-139, F.S.. This Notice extended the Phase III and IV dates of the DRI.

None of these changes will create any additional impacts or result in any changes to the development amounts within the development order.

9. Based on the documentation submitted and the testimony provided, Sumter County found the changes did not constitute a substantial deviation.

10.. On November 20, 2012, the Developer submitted a s.380.06(19)(e)2.amendment to the DO to amend the solid waste provisions, specifically Subsection 3 of Section IV.I. of the Amended and Restated Development Order for Villages of Sumter Development of Regional Impact dated February 24, 2004 by restating that Subsection as follows:

3. *The Developer, or its designee, shall be the exclusive hauler of all residential solid waste collected within the Development. If a solid waste franchise ordinance is subsequently adopted within Sumter County, the Developer shall be grand-fathered in as the franchisee within the Development, subject however to the obligation of the Developer to pay all applicable franchise and other fees imposed county-wide. Notwithstanding the expiration of the Development Order this provision shall continue until December 31, 2043.*
